SYNOPSIS ▶ Počas druhej svetovej vojny Adam zapredáva svoju dušu Diablovi, aby zachránil milovanú rodinu. Prichádza o všetko a stáva sa proti svojej vôli nesmrteľným. Je rok 2025, svet sa mení a Adam túži po pomste. Nesie v sebe temné tajomstvo z minulosti, ktorého tiene sa postupne začínajú vynárať na povrch. Ak sa mu podarí nájsť štyri bájne elementy života, môže zachrániť viac než len svoju zatretanú dušu.

SYNOPSIS ▶ Is eternal life a gift or a curse? The life cycle on Earth is nearing its end, the planet is destroyed by countless wars, and mankind is on the brink of extinction. The dominance of artificial intelligence devours the planet and there is a threat from outer space. Adam is roaming the godforsaken land alone, carrying a dark secret from his past, and searching for four mythical elements of life. Maybe there is more to save than his cursed soul.
