I SERVED THE KING OF ENGLAND OBSLUHOVAL JSEM ANGLICKÉHO KRÁLE

2006 >< 35 MM >< COL. >< 120 MIN.

Bohumil Hrabal's book *I Served the King of England* is among the pinnacles of his body of work. Mirrored in the fate of a young Czech waiter's life are the hopes, conflicts, dramas, and defeats of Czechoslovak history in the last century. Based on that book, director Jiří Menzel presents a film about a man in the twilight of his life seeking images of the era he has lived through. About a man who yearned to fill his life with wealth and beauty no matter what the circumstances, a man whose luck always lay in his encountering some misfortune.

THE MAGICIANS' WINTER ZIMA KÚZELNÍKOV

2006 >> HDCAM >> COL. >> 77 MIN. >> TV FEATURE

A film about the unrepeatable Last minute... when it seems to us that we waste our time too much, when it flows too quickly. A lively 60-year-old Koloman, his old friend Chepelkin, his daughter Biba, and his future son-in-law are biased towards silly things and illusions. Despite that they do not lose their humanity! The only thing left from the bargain grave is an adventurous voyage on the Mediterranean or the crazy plan to gain money by robbing a post office, is the last chance of their lives. After The Fourth Dimension this sad and funny story about the last chances is the second cooperation of scriptwriter Jozef Puškáš and director Dušan Trančík.

OTHER WORLDS INÉ SVETY

2006 >< 35 MM >< COL. >< 78 MIN. >< DOCUMENTARY

Šariš in eastern Slovakia is a very specific border region between Eastern and Western Europe. It is situated between rational individualism of the West and expressive emotionality of the East. The territory has its historical roots in a diverse combination of minorities and religious creeds, which made it grow into a "little Babylon". This documentary follows the progress of globalization and its effects on individual lives, introducing six different characters representing their respective communities. They include Šarišans, Ruthenians, Jews, and Gypsies. The film explores the last days of traditional diversity in local communities, and seeks the beauty of the original, authentic, and interesting individual. People from the Šariš region are often called the "crazy Easterners". OTHER WORLDS visits six of them at one of the ends of the world, at an end of the globalized world. They are products "made in Šariš".
