EYE IN THE WALL OKO V STENE

CZ-SK >> 2009 >> 35 MM >> COL. >> 80 MIN.

The action spans three days. The spring is slow in coming, the days are rainy and mild. Transcending time and state borders, the story could happen just about anywhere. This psychodrama deals not with race or creed but with human character. We meet Sophie and Vincent just as they enter the deserted house. Their curiosity leads them to the bathroom and somebody locks them in. Watching them through the opening in the wall is his eye, and the eye foretells nothing good...
