Mark, a young man from Prague, decides to quit his hectic and superficial urban life and moves to the countryside, to the house where he spent his childhood, but was forced to leave under strange circumstances. His intention to start a new life and devote his time to painting is constantly disturbed by odd events. A lost girl, the untold anxiety of the locals, legends about a Celtic burial place, the death of his parents in the past which appears not to have been an accident after all, his sister locked for many years in an insane asylum, and his memories of long forgotten shadows of his childhood, nightmares, and doubts. During his search, Mark is sinking ever deeper and is slowly absorbed by the darkness around and inside of him. In this mystical thriller, can Mark succeed in his search for himself or will he give in to the darkness?
