SK >> 2010 >> 35 MM >> COL. >> 90 MIN.

A comedy from academic circles which humorously and dynamically reflects our contemporary reality. The family of an intellectual and university professor is falling apart. His wife files for divorce because of her husband's repeated infidelities and their only daughter quits her studies and wants to go to America with her boyfriend, an anti-globalisation activist. But then a convict begins to blackmail them...
