

MONGOLIA – IN THE SHADOW OF GENGHIS KHAN MONGOLSKO – V TIENI DŽINGISCHÁNA

SK >> 2010 >> 35 MM >> COL. >> 61 MIN. >> DOCUMENTARY

This feared, cursed, and admired country, just like its founder Genghis Khan, invites the curiosity of many travelers. A group of adventurous friends set out to explore the far-away steppes, remote places where there is nothing but a strong sense of freedom. They ride their horses across valleys; raft down mountain streams, and conquer the highest glacier summits. Traversing the land off the beaten tracks lets them learn about the life of nomads with their flocks grazing around white yurts. This nontraditional portrait of present-day Mongolia brings to life the shadows of the distant past.
