DÔCHODCOVIA – MADE IN SLOVAKIA

Mozaika zo života dôchodcov na Slovensku v rokoch 2007 – 2008, zostavená z ich odpovedí na otázky: Aká je doba, v ktorej žijeme? V čom vidíte rozdiel oproti minulej dobe? Čomu nerozumiete v tejto dobe? Keby ste mali tú moc, čo by ste na svete a vo svojom okolí zmenili?

A mosaic from the life of senior citizens in Slovakia in 2007 – 2008, the film is composed of their answers to such questions as: What do you think of the times we are living? What is the main difference in comparison with the previous era? What is it that you do not understand in our times? If you had the power, what are the things you would like to change about the world in general and the world around you?
