cinecAward - a prize for outstanding achievements

The cinecAward for outstanding and trendsetting technical developments will be awarded in the categories Camera technology, Camera Support/Grip, Optics, Camera Equipment, Lighting, Postproduction/Digital Editing. The winners are selected by a panel of international experts.

Cinec - a place for encounter and discourse, for learning and networking

In product presentations, seminars and discussion forums the latest industry trends and topics will be discussed.

The cinecForum on THE FUTURE OF CINEMATOGRAPHY,

(Main focus in 2006: PROFESSIONAL DIGITAL CINEMATOGRAPHY) with talks, workshops and screenings will show HD-workflow and HD-technology supported by leading producers.

Munich - one of the most attractive exhibition sites of the world

Munich and its economic area are outstanding development, production and service locations: Much of the film technology employed in Europe and North America originates from Bavaria. Beyond business, Munich is a very popular destination for visitors from all over the world: the famous Oktoberfest takes place at the same time as the cinec.
