

MEDIA 2007 INFORMATION CONFERENCE

***Tuesday 23 May 2006
Espace Ambassadeurs
Palais des Festivals
15h30 – 17h00***

As most professionals attend the Cannes Film Festival/Market, the European Commission would like to seize the opportunity to inform them of the latest developments with regard to the new MEDIA 2007 programme.

The week before the day of the presentation will be crucial to the Programme since MEDIA 2007 will be on the agenda of two important meetings taking place on the same day (18 May): the plenary session of the European Parliament and the European Council of Ministers of Culture/Audiovisual.

The presentation on 23 May will give you the latest details on the adoption procedure and timescale, on the budget and on the priorities of the new Programme.

All professionals are welcome without any prior registration.
