You have a great screenplay but no producer attached yet?

The Fade In Central European Pitch Forum is the place for you.

TELL YOUR STORY STANDING

We are looking for screenplays from all around Europe. If you are a screenwriter with a completed feature film screenplay in English that you feel has a universal appeal, send it to us. We can hook you up with the big players of the industry.

Anyone from the MEDIA countries as well as the Balkans (Albania, Bosnia and Herzegovina, Croatia, FYROM, Montenegro, Serbia) can apply. We are expecting projects not yet attached to a producer.

12 shortlisted writers get an opportunity for a one-month online consultation session with acclaimed international screenwriters and story editors (acclaimed UK writer-director *Richard Kwietniowski*, screenwriter and the Polish Film Institute's deputy director *Maciej Karpinski*, Italian writer-director and screenwriting professor *Giovanni Robbiano* and *Christina Kallas*, writer and president of the Federation of Screenwriters in Europe) to perfect their scripts. After a rewriting period, between 30 September-3 October 2007 the writers shall be invited on an all-expenses paid trip to the Pécs International Film Festival. Following a two-day intensive training from the best European coaches (*Jürgen Wolff,* UK; the other trainer is yet to be confirmed) the 12 writers can present their stories in front of 15 prominent European producers.

In addition, the writers of the best stories get a generous cash prize as well (a total of 10.000 €).
