### SILENCE TICHŮ

2005 >> HDCAM >> COL. >> 72 MIN.

A story about family relationships revived by love.

Marta and Jozef have four children. When Marta isn't busy working at the bakery, she spends all her energy taking care of the children. Jozef is forced to travel to Prague to find work. He is torn from his family physically and emotionally and finds the way back difficult. The oldest daughter Lenka has just fallen in love for the first time with Karol, a university student. Her brother and his friends entertain themselves by spying on local lovers in an old barn. Nine-year old Katka is jealous of the youngest child, Milka, and fights for her mother's attention. The story begins at the moment when Marta tells Jozef that she is pregnant again with a fifth. The events that follow test every member of the family's patience, strength and ultimately their love for each other.

## THE MAGICIANS' WINTER ZIMA KÚZELNÍKOV

2006 >> HDCAM >> COL. >> 77 MIN.

A film about the unrepeatable Last minute... when it seems to us that we waste our time too much, when it flows too quickly. A lively 60-year-old Koloman, his old friend Chepelkin, his daughter Biba, and his future son-in-law are biased towards silly things and illusions. Despite that they do not lose their humanity! The only thing left from the bargain grave is an adventurous voyage on the Mediterranean or the crazy plan to gain money by robbing a post office, is the last chance of their lives. After The Fourth Dimension this sad and funny story about the last chances is the second cooperation of scriptwriter Jozef Puškáš and director Dušan Trančík.
