

## THE MAGICIANS' WINTER ZIMA KÚZELNÍKOV

2006 >< HDCAM >< COL. >< 77 MIN.

A film about the unrepeatably Last minute... when it seems to us that we waste our time too much, when it flows too quickly. A lively 60-year-old Koloman, his old friend Chepelkin, his daughter Biba, and his future son-in-law are biased towards silly things and illusions. Despite that they do not lose their humanity! The only thing left from the bargain grave is an adventurous voyage on the Mediterranean or the crazy plan to gain money by robbing a post office, is the last chance of their lives. After The Fourth Dimension this sad and funny story about the last chances is the second cooperation of scriptwriter Jozef Puškáš and director Dušan Trančík.

DUŠAN TRANČÍK [1946]
