### **Slovak Films Around the World**

**A discussion forum about Slovak cinema today.**

In the last year, Slovak films have been presented at numerous important international film festivals with a considerable success which considerably contributed to the visibility of Slovak cinematography in the international professional environment.

The discussion forum is aimed at the current developments in the Slovak cinematography with special focus on the presentation of the Slovak films abroad:

- success achieved by Slovak films (short listing of the successful films, events in 2009)
- what stands behind the international promotion (tasks and experience of the producer, sales agent, national promotion agency / film institute, international PR)
- what are the prospects for the future

#### **Guests of the discussion:**

**Éva Vezér** – general manager of Magyar Filmunió, president of the European Film Promotion

**Matthieu Darras** – artistic director of Bratislava IFF

**Will Tizard** – Variety

**Theodore Schwinke** – Screen, Cineuropa.org

**Marta Lamperová** – manager of Film Europe, sales company

**Peter Kerekes** – director, producer

**Alexandra Strelková**, National Cinematographic Centre, Slovak Film Institute

**Host:** Zuzana Mistríková, Vice-President of the Slovak Film and Television Academy

**The discussion will conclude with a cocktail hosted by the Film New Europe.**
