# Slovak Season Days

June, 23<sup>th</sup> – 26<sup>th</sup> Trenčianske Teplice, Trenčín

A pilot project of SAPA & Film Europe Agency alongside Art Film Fest focuses on the promotion of the notion of Slovak films within the international market. The event will present Slovak cinematography to the selected foreign film distributors and TV buyers to showcase fresh Slovak movie production as well as to introduce current Slovak cinematography from commercial as well as non-commercial point of view. The Event offers screenings of selected Slovak films in Cinemax Trenčín, broader selection of the Slovak production will be available on DVD in the showroom. Part of this Event is also a Round table discussion with our guests.

**Slovak Film Showroom, Hotel Praha, video room, Trenčianske Teplice**

**Round table discussion, Trenčianske Teplice, Kursalon 25th June at 16.30.**

**Topic: Distribution of Eastern European films and its limits.** Foreign representatives of various distribution platforms will be discussing the possibilities of Slovak & East-european cinematography and audio-visual projects to travel and be distributed abroad. The event is freely accessible to all public.
